

Record of IHBC South Branch AGM Held over Zoom on Wednesday October 21st 2020.

2020 Plans

Covid19 has forced all 2020 activity to be virtual with 2 presentations anchored by Kevin Stubbs running on September 30th and October 21st, although one conference and the last AGM was held in October 2019, Wood is Good.

South Branch Committee meetings have continued frequently via Zoom.

2021 Activities

All foreseeable activities for the South Branch will be in a virtual format, most probably using Zoom Webinars for various CPD purposes.

Kevin Stubbs has kindly offered to do several more following on from his very popular previous 2 sessions. Timings to be agreed. Nominal charges (£20 / attendee) will be applied to cover Zoom Webinar costs.

Phil Ogley at Oxley Conservation is willing to contribute with his Building Regulations presentation at a time to be agreed early next year.

Further plans to be agreed by the committee.

2020 Financial Statement

Expenditure this past year has been modest with the Covid Lockdown resulting in a closing bank balance of £3,887.25 on September 30th. No claim has been made to IHBC centre for a 2020 Business Plan, normally £750 and no drawdown has been made from the Winchester Hoard.

Structure of South Branch Committee updated and confirmed as follows for the coming year:
