

Site Visit and Summer Picnic Amberley Museum

New Barn Road, Amberley, West Sussex BN18 9LT

Friday 4th September 2026, 10.00am - 4.30pm

Join us for our Branch summer gathering and site visit at Amberley Museum and chalk pits.

This is a unique opportunity to visit this historic site, located on the former site of the Amberley chalk pits. The museum provides a centre where the industrial and social history in the south-east has been conserved and interpreted in an active working environment.

The day will start at 10am with a curator's tour of the Museum and chalk pits site, and will be followed by a group networking picnic lunch at the site (BYO picnic). Partners, families and children are welcome. In the afternoon we have the opportunity of a site visit to the Scheduled Amberley Castle to view and hear about the ongoing works from Kevin Symonds of Traditional Stone. There is an optional opportunity for further networking at the Bridge pub at the end of the day.

Prices: IHBC Members £21.56, non-members £26.95, children (5-17 years) £10.78, children under 5 years free. Bookings can be made via TicketSource [here](#)

CPD Certificates will be available on request.

REGISTERED OFFICE: Jubilee House, High Street, Tisbury, Wiltshire SP3 6HA

Registered as a charity: No. 1061593

Company limited by guarantee: reg. in England; No. 3333780

The Amberley Chalkpits Museum shows the Lime Kilns (4 circular holes on the top surface)

The other buildings house exhibits linked by a railway line or roads the buses use.
