Dear Ms Darby		
<b>STATUTORY CONSULTEE PERFORMANCE AND AWARD OF COSTS</b>		

The Institute of Historic Building Conservation (IHBC) is the professional body of the United Kingdom representing conservation specialists and historic environment practitioners in the public and private sectors. The Institute exists to establish the highest standards of conservation practice, to support the effective protection and enhancement of the historic environment, and to promote heritage-led regeneration and access to the historic environment for all.

Thank you for inviting us to participate in this consultation.

We wish to support the proposed changes to the circular.

Yours sincerely

James Caird
