Dear Mr Jeacock

**RECORDING HISTORIC GRAFFITI: ADVICE AND GUIDANCE**

The Institute of Historic Building Conservation (IHBC) is the professional body for building conservation practitioners and historic environment experts working in England, Northern Ireland, Scotland and Wales, with connections to the Republic of Ireland. The Institute exists to establish, develop and maintain the highest standards of conservation practice, to support the effective protection and enhancement of the historic environment, and to promote heritage-led regeneration and access to the historic environment for all.

Thank you for inviting us to participate in this consultation. We commend this thorough and well-written addition to the material on the topic.

Yours faithfully

James Caird
