

Dear <<First Name>>,

## HESPR NEWS & TENDER ALERT!

**£377K costed opportunities this week**

### SPECIAL FEATURE

#### THE RUINS – Architecture Photography Competition

ArchDaily writes:

##### Introduction

This competition intends to understand the history of architecture through the lenses of the photographer. A photograph that powerfully portrays the past glory of the present architectural ruins.

##### Aim:

To understand the importance of perspective in architecture...

Recognition is the key to success for any design professional. Archiol is providing an opportunity to showcase your creativity at the global level. This opportunity is open to all design students and professionals.
