

IHBC CPD Circular - Brighton 2021 School Special Edition
Thursday 17th & Friday 18th June 2021

Your CPD Guide to the IHBC Virtual School 2021: Historic Places – People Places

Welcome to the IHBC Virtual School 2021*! This special edition of the CPD Circular conveys the wide range of CPD on offer, and delegates should take particular note that attendance at all offerings is not essential; all resources will be available after the school – but only to those who've booked!

The Day School takes place on Friday 18 June, while the Virtual School provides access to both the Thursday 17 June and Friday 18 June offerings. An optional tour programme in the Brighton area may take place in the autumn, depending on pandemic restrictions, viability and capacity. Places are open to Virtual School delegates ONLY and, if offered, will be allocated on a 'first-booked' basis.

All delegates are encouraged to submit questions for the sessions ahead of time by emailing services@ihbc.org.uk. Best question submitted for each session, as selected by the session Chair, will receive a free place (reimbursed)!
